Jalgaon, Maharashtra

PROFILE

Detail-oriented Frontend Developer with strong foundations in JavaScript, HTML, CSS, and browser APIs. Hands-on experience building modular, reusable UI components, integrating frontend applications with RESTful APIs, and collaborating within version-controlled engineering workflows. Adept at debugging UI issues, ensuring responsive design, and adhering to secure coding and documentation standards. Seeking a Frontend Developer Intern role to contribute to scalable, production-grade financial technology interfaces.

EDUCATION

B.Tech Electronic And Computer Engineering (2022-2026)

KCES'S Colleges of Engineering And Management, Jalgaon.

HSC in SCIENCE (2021)

BS Padalkar Junior College, Chatrapati Sambajinager (86%).

SKILLS

Frontend: JavaScript (ES6+), HTML5, CSS3, DOM APIs

Frameworks & UI: React.js, Bootstrap, Tailwind CSS

APIs & Data: REST APIs, JSON handling, error handling

Version Control: Git, GitHub

Tools: VS Code, Cursor

Concepts: Responsive design, cross-browser compatibility, reusable components

WORK EXPERIENCE

Software Developer |(Front-End) | Paparazzi|(10-Feb-2025 to 14-Aug-2025)

Key Contributions:

- Developed modular and reusable UI components using JavaScript, HTML, and CSS, improving maintainability and scalability.
- Integrated frontend interfaces with RESTful backend services, ensuring accurate data rendering and state handling.
- Implemented responsive layouts compliant with UX guidelines across multiple screen sizes and browsers.
- Diagnosed and resolved UI bugs, performance bottlenecks, and browser inconsistencies using developer tools.
- Contributed to Git-based workflows, including branching strategies, commits, and collaborative code reviews.
- Followed secure coding practices and supported team-level documentation for features and UI changes.
- Collaborated closely with backend developers, designers, and product stakeholders to deliver features supporting real-world use cases.

Project

Portfolio Website ([Project Code](#))

[\(Live\)](#)

- Developed a personal portfolio website to showcase frontend projects and technical skills.
- Built a fully responsive user interface using React.js and Tailwind CSS.
- Implemented reusable components and clean UI design for better user experience.
- Integrated a functional Contact Us form that sends user data directly to Gmail.
- Ensured cross-browser compatibility and optimized performance.

CERTIFICATES

- Google Student Ambassador (31 December 2025) [\(View Certificate\)](#)
- Front-end Web Development (5 July 2025) [\(View Certificate\)](#)
- HTML & CSS Bootcamp (26 December 2024) [\(View Certificate\)](#)
